

Pain Management for the Sickle Cell Community

LET PMC PHARMACY HELP!

Take advantage of PMC Pharmacy's **RelieveRX** Program to better manage your pain medication. More consistency, more confidence, and more control over your pain!

- Expertly managed medication schedules
- Single source for your entire medication therapy
- Secure delivery of medications direct to your home, work, or designated recipient
- No cost to you for our medication management service

"PMC is the answer to my problems!"
– Ruth W.

*PMC Pharmacy's **RelieveRX** Program aligns all of your pain medications to start on the same day...and ensures that you never run out again!*
